

EMN-OECD Inform on the impact of COVID-19 in the migration area

The European Migration Network (EMN) and the Organisation for Economic Co-operation and Development (OECD) have published updated information on the impact of COVID-19 in the migration area. The new Umbrella Inform completes the joint EMN and OECD Inform series between on the impact of COVID-19 on migration and asylum in the EU Member States and non-EU OECD countries throughout 2020. Updates include changes in border procedures, provision of COVID-19 related healthcare services to migrants, the shifting landscape of the labour market, international protection, international students, and return issues.
